

**GET ON BOARD -
GIVE A GOAT...
OR CHICKS OR
BEES OR TREES...**

"The class speaker, Aisling, that visited our school was very informed and the children were very interested to learn about the work that Bóthar does. I would highly recommend the fundraising project."

- T. Gibbons, Co. Sligo

A great big thank you to the students of St. Patrick's National School, Longford who all contributed to change the lives of a family in the developing world. The students were very interested to learn how their contribution will make a difference. Go raibh mile math agaibh!

The Communion class from Clonmoney NS in Co. Clare were very happy to donate €300. Pictured here are Bóthar CEO Dave Moloney and Bóthar Volunteer John Fitzgerald, whose daughter attends the school. Thanks for making a difference.

"After learning about the work Bóthar do, the children were very keen to send an Irish dairy goat to Rwanda. Such was the response that we were also able to send three hives of honeybees. It was a simple and easy way for the children to give back."

- A. Fitzgerald, Co. Clare

**GET A
CLASS
SPEAKER
TO YOUR
SCHOOL**

Dear Principal or Primary School Teacher,

Every year, Bóthar tries to get more schools on board to support it's school project Bóthar na nGabhar, which aims to send Irish dairy goats to struggling families in the Developing World.

This year, we are asking YOU to invite us to your school so we can educate you and your pupils about the work we do helping families who are struggling in the developing world.

After the talk, if you would like to support us, you can. **But you are under no obligation to.**

To get involved, simply fill out the booking form overleaf and send it to us in the freepost envelope supplied. It's that easy.

After that the decision is yours...

Why Bóthar?

Primary schools the length and breadth of Ireland have been helping poor families in Africa since Bóthar began back in 1991. The gift of a food and income producing dairy goat is life-changing in the developing world.

Make a difference this year to a very poor family in Uganda and send a life-changing IRISH dairy goat.

P.T.O...

85 very enthusiastic pupils from Glenbeigh National School in Co. Kerry were very proud to be handing over €540 to Bóthar's Kate Finucane. Every single student took part in some way. Thanks to each and every one of you for all the effort you went to.

Thank you to the 80 students of Northampton National School, Kinvarra, Co. Galway. The class in the picture is sixth class ably assisted by Garfield (the dog). They were the main organisers of a market day in the school where they involved many other budding entrepreneurs in setting up their own stalls. Some students sold sweets and baked goods, while others had target practice with a nerf gun and a hurling target practice to name but a few. Pictured here accepting the cheque is Bóthar's Olivia Cumiskey.

Suddenly a mum who had no previous source of income can improve her child's diet with the introduction of a simple glass of milk. Sale of the extra milk means that she can start to earn a little income and slowly the family's circumstances start to improve.

BUT THERE'S MORE!

As part of the Bóthar programme, each family who is assisted is required to 'pass-on' the gift of the first female kid goat to ANOTHER neighbouring family, who are in need. In this way, the benefit ripples throughout whole villages and communities.

Please give Bóthar a chance. See what we have to say before you say NO!

Looking forward to hearing from you,

Niamh Mulqueen

Niamh Mulqueen
Schools Development Officer

P.S. If your class is unable to take part in the project this year, please pass it on to another teacher in the school who might be able to get involved. Thank you!
