

Bóthar and Foróige Clubs

Since its inception, Bóthar has received much interest and support from the network of Foróige Clubs and other Youth Clubs around the country.

Supporting an organisation such as Bóthar by hosting a speaker, organising a fundraiser or simply raising awareness of development issues, gives the members of the club an opportunity to develop their skills in a community rather than a school context and to view work such as ours in a context beyond the formal education curriculum.
