FEBRUARY 2019

Lenten Appeal

40
DAYS
OF LENT

Give something up to give someone a new life...

Every year during Lent people give up something they love. This year, why not ask people to reward what you are doing by sponsoring you to do it! At the end of the 40 days you could be making a big difference to someone's life in Rwanda.

These are only suggested months and fundraising options. Feel free to choose your own!

Life-changing cows

Give an Irish dairy cow • €1800

Did you know that Bóthar's Irish dairy cows are known as life-saving animals in many parts of the world? Irish dairy cows will produce approximately 16-20 litres of nutritious milk every day, whereas, the average local cow in African countries will only give approx 4 litres of milk per day. Milk from Irish cows provides nourishment for families. They can also sell

leftover milk and start to earn a small income, often for the first time.

The mighty goat!

Give an Irish dairy goat • €300

The dairy goats that we place with our poor farming families are born and bred here in Ireland. We accept donations of kid goats and volunteers raise them for us until they are old enough to travel. We transport the goats to families who have already completed training and are ready to receive them. Irish dairy goats produce 4-6 litres of milk per day, which is much more than local goats, that produce approx 1 litre of milk per day.

Pigs are great

Give pigs • €250

In West Africa, Bóthar's pig projects have been improving a lot of poor families since 1999. Pigs need little land and as they consume garden and vegetable waste, they are not in competition with humans for food. In return an average sow will have 16-20 piglets a year, which grow quickly and are ready for market in a few short months.

Honey makes money

Give honey bees • €125

They're small, but bees can make a powerful contribution to the life of a less fortunate family in Blouberg, Dendron, South Africa. When you give the gift of bees through Bóthar, we will train the family in bee-keeping and harvesting of medicinal honey and valuable wax. Usually it is our poorest families who receive our honey bees as there is little or no cost in caring for them.

Get on board & TAKE ACTION for Bóthar this year!

Thanks to all these
schools for getting
involved and helping
others not so fortunate.

Pictured here is Bóthar's Olivia Cumiskey accepting a cheque for €167.10 from students of Gael Choláiste Chiarraí, Trá Lí, Co. Chiarraí. Thank you to everyone who took an interest to learn about the work that Bóthar does helping struggling families in the Developing World.

Students from Cashel Community School, Cashel, Co. Tipperary were delighted to hand over this cheque for €750 to Bóthar recently. A lot of hard work went into it but their efforts were rewarded! From Christmas dinners to leg waxes, the students and teachers dug deep for Bóthar. Thank you one and all.

Each school will receive
a certificate that
can be hung on the
school notice board to
highlight their efforts!

Well done to students from Loreto Secondary School in Clonmel, Co. Tipperary who raised funds on behalf of Bóthar. Serious effort from all involved. On behalf of the families you helped with your efforts, thank you.
